**CAVEATS/EXPLANATIONS/DISCLAIMERS**

Data is taken from each institution's 2023-2024 Common Data Set (CDS) unless otherwise noted. We attempted to contact each institution whose CDS was not publicly available. Some do not use the CDS or similar database, some did not respond to our request for data, and a few refused to share their data. Institutions that have not responded to our request are left blank in this chart. Empty fields are the result of missing data points, and results greater than 100% are accurate calculations using inputted data.

The information in each institution's CDS is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found that misquote an institution's CDS entries, please let us know by contacting [information.bigj@gmail.com](mailto:information.bigj@gmail.com). If verifiable numbers are required, we suggest you contact the institution directly.

**CAVEATS/EXPLANATIONS/DISCLAIMERS**

Data is taken from each institution's 2023-2024 Common Data Set (CDS) unless otherwise noted. We attempted to contact each institution whose CDS was not publicly available. Some do not use the CDS or similar database, some did not respond to our request for data, and a few refused to share their data. Institutions that have not responded to our request are left blank in this chart. Empty fields are the result of missing data points, and results greater than 100% are accurate calculations using inputted data.

The information in each institution's CDS is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found that misquote an institution's CDS entries, please let us know by contacting [information.bigj@gmail.com](mailto:information.bigj@gmail.com). If verifiable numbers are required, we suggest you contact the institution directly.

**CAVEATS/EXPLANATIONS/DISCLAIMERS**

Data is taken from each institution's 2023-2024 Common Data Set (CDS) unless otherwise noted. We attempted to contact each institution whose CDS was not publicly available. Some do not use the CDS or similar database, some did not respond to our request for data, and a few refused to share their data. Institutions that have not responded to our request are left blank in this chart. Empty fields are the result of missing data points, and results greater than 100% are accurate calculations using inputted data.

The information in each institution's CDS is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found that misquote an institution's CDS entries, please let us know by contacting [information.bigj@gmail.com](mailto:information.bigj@gmail.com). If verifiable numbers are required, we suggest you contact the institution directly.

Villanova University	PA	Mid-Atlantic			\$84,997				

**KEY**

- 1 - Published annual costs used in this chart are for on-campus undergraduates as published in the most recent IPEDS database.
- 2 - Costs cited for Brigham Young University are for LDS students.
- FM - Federal Methodology
- IM - Institutional Methodology

**CAVEATS/EXPLANATIONS/DISCLAIMERS**

Data is taken from each institution's 2023-2024 Common Data Set (CDS) unless otherwise noted. We attempted to contact each institution whose CDS was not publicly available. Some do not use the CDS or similar database, some did not respond to our request for data, and a few refused to share their data. Institutions that have not responded to our request are left blank in this chart. Empty fields are the result of missing data points, and results greater than 100% are accurate calculations using inputted data.

The information in each institution's CDS is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found that misquote an institution's CDS entries, please let us know by contacting [information.bigj@gmail.com](mailto:information.bigj@gmail.com). If verifiable numbers are required, we suggest you contact the institution directly.
