CAVEATS/EXPLANATIONS/DISCLAIMERS

Data is taken from each institution's 2024-2025 CDS unless otherwise noted. We attempted to contact each institution whose CDS was not publicly available. Some do not use the CDS or similar database, some did not respond to our request for data, and a few refused to share their data. Institutions that have not responded to our request are left blank in this chart. Empty fields are the result of data not reported in the CDS. Numbers greater than 100% are the result of the institution's inputted data.

Each institution's CDS is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found that misquote an institution's CDS entries, please let us know by contacting info@bigjconsult.com. If verifiable numbers are required, we suggest you contact the institution directly.

CAVEATS/EXPLANATIONS/DISCLAIMERS

Data is taken from each institution's 2024-2025 CDS unless otherwise noted. We attempted to contact each institution whose CDS was not publicly available. Some do not use the CDS or similar database, some did not respond to our request for data, and a few refused to share their data. Institutions that have not responded to our request are left blank in this chart. Empty fields are the result of data not reported in the CDS. Numbers greater than 100% are the result of the institution's inputted data.

Each institution's CDS is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found that misquote an institution's CDS entries, please let us know by contacting info@bigjconsult.com. If verifiable numbers are required, we suggest you contact the institution directly.

CAVEATS/EXPLANATIONS/DISCLAIMERS

Data is taken from each institution's 2024-2025 CDS unless otherwise noted. We attempted to contact each institution whose CDS was not publicly available. Some do not use the CDS or similar database, some did not respond to our request for data, and a few refused to share their data. Institutions that have not responded to our request are left blank in this chart. Empty fields are the result of data not reported in the CDS. Numbers greater than 100% are the result of the institution's inputted data.

Each institution's CDS is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found that misquote an institution's CDS entries, please let us know by contacting info@bigjconsult.com. If verifiable numbers are required, we suggest you contact the institution directly.

CAVEATS/EXPLANATIONS/DISCLAIMERS

Data is taken from each institution's 2024-2025 CDS unless otherwise noted. We attempted to contact each institution whose CDS was not publicly available. Some do not use the CDS or similar database, some did not respond to our request for data, and a few refused to share their data. Institutions that have not responded to our request are left blank in this chart. Empty fields are the result of data not reported in the CDS. Numbers greater than 100% are the result of the institution's inputted data.

Each institution's CDS is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found that misquote an institution's CDS entries, please let us know by contacting info@bigjconsult.com. If verifiable numbers are required, we suggest you contact the institution directly.
